

# Aqua Camp 2010

Welcome to Aqua Camp. In this exciting new specialty camp campers will spend every morning down at the waterfront. They will take part in extended swim lessons, advanced boating skills and techniques, and other water based activities. In the afternoon the Aqua Tribe will participate in all the other traditional camp activities: archery, ropes, nature, and counselor planned activities.

In addition to extended waterfront time Aqua Camp will also take one field trip to Canoe down the Farmington River. They will travel to Huck Finn Adventures with Mega-Adventure and Wilderness Camp to take part in a self guided canoe ride. Please read the permission slip below, check off the appropriate date and return to camp no later than the first day of the session.
